

LIMESWOOD
INT'L COMPANY LTD

**OUR
CAPABILITY
STATEMENT**

OUR CAPABILITY

+100%

PROVISION OF EPIC SERVICES

- Multi-disciplinary EPIC services across oil & gas, maritime, Petrochemical and automation sectors.
- SCADA, Custody Transfer meters, and electrical systems deployment.
- OEM-certified equipment sourcing and logistics management

+98%

MAINTENANCE AND INTEGRATION

- Offshore and onshore maintenance
- Instrumentation and control system integration

+95%

MANPOWER & TECHNICAL SUPPORT

Training, documentation, and post-installation maintenance support. Factory Acceptance Test (FAT), Site Acceptance Test (SAT), and calibration.

PERFORMANCE OVERVIEW

**Innovative &
Collaborative**

100+ Successful EPIC Projects

Across oil & gas, maritime, and automation sectors, delivered on time and within budget.

10+ Years of Industry Experience

Proven Track record in offshore & onshore maintenance I&C systems integration.

24/7 Operation Readiness

Rapid response teams deployed for critical offshore/onshore assignments.

98% Client Retention Rate

Trusted by major operators in the Oil and Gas industry and beyond.

Certified Technical Personnel

30+ Skilled Technical Personnel Available through our certified manpower supply network

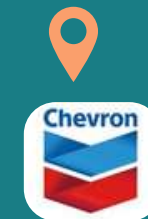

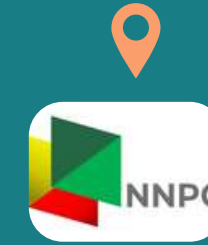

ISO 9001 & HSE Compliant

Committed to quality, safety, and environmental standards

OUR TRACK RECORD

- Engineering Procurement Installation and Commissioning of Custody Transfer Meters, PD meters, GDMs and LACT Unit.
- Instrument Cable Installation for a 20,000BPD flowstation SCADA and PLC integration, Fire Suppression system and HVAC --- XENERGI at Kwale Gas Gathering (KGG) Facility.
- Installation Gas Chromatograph & Gas Density Skid Fabrication & Instrumentation SCADA System Deployment – Shell SPDC.

Over (30+) major
projects completed

10+ years of
industry experience

Over (30+) major
projects completed

CERTIFICATIONS & COMPLIANCE

- ISO 9001:2015 – Quality Management
- ISO 45001:2018 – Health & Safety Management
- DPR (Upstream & Downstream) NIPEX.
- Registered for e-tendering & contracting.
- NUPRC Certifications.
- NCDMB (JQS) – Local content certified.

Fully Compliant With;

- Nigeria Oil & Gas Industry Standards.
- Clients-specific QA/QC Protocols.

HSE & LOCAL CONTENT

Health, Safety & Environment (HSE):

- Zero LTI in last 10 years of operations
- Full project-specific HSE planning and implementation
- Active emergency response and environmental protection systems.

Local Content:

- 90%+ indigenous workforce
- Partnerships with Nigerian OEMs, yards, and vendors
- Active training and technology transfer programs.

LOCAL CONTENT UTILIZATION

(% Indigenous Participation)

PAST PROJECTS EXPERIENCE

Over the years, Limeswood International Co. Ltd. has successfully delivered a wide range of Engineering, Procurement, Installation, and Commissioning (EPIC) projects across the Oil & Gas, Maritime, Automation, and Petrochemical sectors. Our portfolio includes:

- Design, Construction and Commissioning of various MCC Projects, Motor Control Centre.
- Installation & Commissioning of HV, LV, and ELV systems Access Control & Intrusion Detection Systems for secure facilities.
- Revamping of IT Data Centers and Industrial Control Rooms.
- Instrumentation Projects (Supply, Installation and Commissioning of Custody Transfer Units, Gas Density Meters and LACT units).
- Renewable Projects, Supply and Setup Support of Solar Light and Telescopic Poles.
- Mechanical Projects (Supply and Installation of Cooling Systems (Trane Cooling System) etc.)
- Procurement and Supply of Donaldson filtration systems, Flowmeters, Flare ignition systems, AI/DI Modules etc.
